3. To revise Attachment 4. Specifically, paragraph (b), Ordering Process, is hereby revised to read as follows:

(b) Ordering Process

Authority. The Task Order Contracting Officer (TO KO) will provide each contract holder with a fair opportunity to be considered for each Task Order. Orders under this contract are subject to FAR subpart 16.505 (orders exceeding \$3,000 and up to \$150,000), supplemented with respect to orders on behalf of DoD for services exceeding \$150,000, by DFARS 216.505-70.

Each order for services exceeding \$150,000 shall be placed on a competitive basis in accordance with DFARS 216.505 unless the TO KO waives the requirement on the basis of a written determination, using the justification and approval format in FAR 6.302-1. This competition requirement applies to orders placed by non-DoD agencies on behalf of DoD. Competition requirements are met only if the TO KO--

(1) Provides a notice of intent to purchase to all contractors under the contract, including a description of work to be performed and the basis upon which the selection will be made; and

(2) Affords all contractors responding to the notice a fair opportunity to submit an offer and to be fairly considered.

Waivers. Waivers that can be considered are:

(1) the customers need for services is of such urgency that providing such opportunity would result in unacceptable delays;

(2) only one contractor is capable of providing services required at the level of quality required because the services ordered are unique or highly specialized;

(3) the order must be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order;

(4) it is necessary to place an order to satisfy a minimum guarantee; or

(5) a statute expressly authorizes or requires that the purchase be made from a specified source (only applicable if services exceed \$150,000).
