Re: Contract No. W91QUZ-07-D-0010  
Information Technology Enterprise Solutions-2 Hardware (ITES-2H)

Subject: Proposal: APPTIS-ITES2H-U-0006

Dear Ms. Underwood:

This *APPTIS* Change Proposal *APPTIS*-ITES2H-U-0006 is to add Integration Technologies Group, Inc. (ITG) Maintenance on the ITES-2H contract. As specified in contract W91QUZ-07-D-0010 paragraph C.2(u), this proposal is primarily designed to add items from a new OEM's catalog (Integration Technologies Group, Inc.) to Catalogs I-VI and IX. ITG offers a wide range of cost saving maintenance packages for a variety of vendors and manufacturers. Apptis will offer these maintenance packages as part of a total solution where the primary objective of the solicitation is hardware and the maintenance services augment those purchases. These packages will not be offered as standalone packages on ITES-2H.

Attachments to this document include:

- The summary spreadsheet and the catalog
- Self certification
- Catalog along with cost and list pricing support.
