

Commercial Cloud Services Microsoft Fact Sheet

Background: On 24 September 2013, Army Contracting Command- Rock Island (ACC-RI), in coordination with CHESS and HQDA CIO/G-6 awarded a DOD ELA to Dell Marketing L.P. to provide cloud services. The Period of Performance for this agreement is 24 September 2013 through 31 December 2017.

The Blanket Purchase Agreement was competed against the previously established General Services Administration (GSA) Email as a Service (EaaS) agreements. By competing the requirement against the GSA vehicle the DOD was able to leverage the past efforts of GSA, while adding enhance terms and conditions and unique DOD security requirements, in a manner that fully leveraged the buying power of the DOD for current and future requirements.

What's included in the Commercial Cloud Services Microsoft ELA?

This BPA standardizes and establishes prices for subscription based licenses providing email, document storage, identity management and unified capabilities as well as records management and digitally signed and encrypted email.

License Allocation

New orders for Cloud licenses are available for decentralized ordering through your local Contracting Office. For renewals of existing Cloud licenses please reach out to the Dell Federal Systems POC.
