\*\*\* End of Narrative A0000 \*\*\*

The purpose of Modification P00018 to Blanket Purchase Agreement (BPA) W91QUZ-06-A-0006 with SMS Data Products Group, Inc., is as follows:

1. Replace Attachment A, the Product and Price List, in its entirety with the updated price list submitted by SMS Data Products Group, Inc., on 05 May 2015. The price list will be available on the CHESSE website at <https://chess.army.mil>.

2. Replace BPA, Section A, Paragraph 11.1 Bluecoat Webfilter as follows:

11.1 Bluecoat Webfilter:

Users obtain the latest URL database automatically, this is a function of the SG appliance. There are no upgrades/patches involved with the URL list; when the latest list is downloaded to the proxy, this is conclusive of all software updates. The price of the software includes an extensive URL filtering list which allows the customer to categorize what types of content can be accessed via the Internet.

If the end-user does not have access to the Internet, then the latest URL downloads cannot be obtained. Blue Coat Web Filter must reside on a ProxySG appliance; the appliance takes care of all downloads. Since a proxy server is a network appliance that works on web protocols, it has access to the Internet.

The maintenance and support costs are covered in the annual maintenance contract for the ProxySG appliance. The customer may elect to purchase a subscription-based or perpetual license. The subscription license includes the right to use the software for the term specified in the description as well as support and updates for the license. The perpetual license allows the customer to own the license. Software support is not included with the purchase of a perpetual license. Software support must be procured at the time of purchase and for each additional period for which software support is required.

3. In accordance with Arrow Enterprise Computing Solutions Inc.'s, modification PO-0929 to Federal Supply Schedule Contract GS-35F-0296R, the price for Bluecoat support is calculated based upon a percentage of the list price of the equipment being covered. BPA W91QUZ-06-A-0006 prices for Bluecoat support reflect a 9% discount from the calculated list prices.

4. Incorporate the following DFARS clauses:

- 252.203-7000, Requirements Relating to Compensation of Former DoD Officials;
- 252.204-7012, Safeguarding of Unclassified Controlled Technical Information;
- 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports;
- 252.232-7010, Levies on Contract Payments;
- 252.243-7002, Requests for Equitable Adjustments

5. Except as provided herein, all other terms and conditions remain unchanged.
